

## **100+ Ely Women Who Care**

### **Presentation Tips**

Please do not let apprehension of presenting prevent you from nominating a charity. You do not have to be an expert on the charity and you do not have to be an accomplished speaker. That said, you do want to be persuasive. Be prepared to informally discuss your charity (NO PowerPoint, NO handouts) for about five minutes. Below is a helpful list of information you may want to include in your presentation.

- What is the mission of the organization?
- What purpose does the organization serve? Tell us who they serve, what they do, and how do they do it.
- How would the organization benefit from receiving our collective donation?
- Tell how essential this program is and what our community will miss if this program does not get funded.
- What does this organization mean to you?
